SATURDAY, MAY 26, 2018

NEW FOR 2018 – BOOT SALE

Don't have a garage? Only have a few items to sell?

St. Ambrose School has graciously allowed the ALCA to use their staff parking lot at 1500 Arbour Lake Drive for our first "Boot Sale". Load your sale items into the back of your vehicle, join other sellers in the St. Ambrose parking lot, and sell your goods right out of your vehicle!

BOOT SALE

- Pre-registration is HIGHLY RECOMMENDED because there are limited parking spots.
- Only those who register will have access to sell their goods from the parking lot.
- You must remain with your vehicle, and remove all items that you do not sell.
- Purchasers will be asked to park on the street to keep traffic in the parking lot to a minimum.
- Sellers should be parked in their stall by 9 am

GARAGE SALE REGISTRATION:

- When you pre-register, your garage sale address will be added to a neighbourhood map to help the bargain hunters to find you more easily. The fee helps cover the cost of printing and advertising. Young entrepreneurs who would like to set up a refreshment stand on the day of the sale are welcome to fill out a registration form to add your address to the map free of charge
- Amaranth Whole Foods (7 Arbour Lake Drive) will be accepting payment and registrations beginning May 1st. Registration closes Monday, May 21st.
